Display Name	Location	Start Month	Duration Number Duration Unit
SEP-PAR	PAR	September	28 Weeks

Aims and Outcomes

Aims	The aim of this module is to test the actor's aptitude in a practical performance project, working with extant material. The student is expected to work with complex and sophisticated methods of practice, research and professional work ethics.
------	---

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Synthesise comprehensive physical, vocal and technical acting techniques and principles in professional performance practice.
MLO2	2	Employ sophisticated working practices, evidencing a high level of collaborative and communication skills, applied to professional working environments.
MLO3	3	Demonstrate original, creative and advanced methodological practitioner approaches.
MLO4	4	Apply a strategic approach to the contextualisation of supporting evidence, appraising its applicability, value and outcomes, in performance practice.
MLO5	5	Evidence and document progressive professional working practices

Module Content

Outline Syllabus	The module will test your development, synthesising and applying methods explored in Advanced Technique I and examining the application of acting principles in differing contexts, with advanced material and in professional working environments. You will evidence this process and their developing methodological approach in a Viva Voce, contributing to a body of documentation.
Module Overview
