#### Aims and Outcomes

Aims	In this module students combine skills and techniques developed across all previous modules in the planning and delivery of a substantial drama or theatre project.
------	---

**After completing the module the student should be able to:**

### Learning Outcomes

Code	Number	Description
MLO1	1	Synthesise a range of facilitation, artistic and project management skills in the design and delivery of a substantial drama/theatre project.
MLO2	2	Identify and critically analyse the social/cultural frameworks which surround a specific Theatre/Drama event and on which this event impinges, and take these into account in creating a project/performance.
MLO3	3	Demonstrate a highly advanced ability as a facilitator in the leadership of both the wider project and specific sessions and/or rehearsals.
MLO4	4	Maintain a high level of professional practice in terms of ethics, safeguarding and the application of critical reflection.

### Module Content

Outline Syllabus	The project will be negotiated with the module leader at an early point in the course leading to the development of a learning contract.
Module Overview
