### Learning Outcomes

Code	Number	Description
MLO1	1	Manage issues of research ethics and power in accordance with educational research ethical guidelines.
MLO2	2	Critically analyse key theoretical frameworks, policy and concepts in the literature around a chosen education focus.
MLO3	3	Apply appropriate methodologies and research methods to an area of professional inquiry.
MLO4	4	Synthesise data with the existing theoretical and evidence base to inform practice.

## Module Content

Outline Syllabus	Individually negotiated research focus and one-to-one support in a relevant area of education
Module Overview	
Additional Information	This module is delivered at the Westford campus as part of a face-to-face programme. The module is a core activity for all students and provides a grounding in theory, research and practice. It provides an opportunity to carry out a piece of in-depth research - including the option of a library-based study, negotiated with individual supervisors and of relevance to the educational context. This will be largely independent, but with regular individual support from an assigned supervisor.
